

# Farm Tool efficiency increased the Work Productivity and Free from Hand pains.

A new durable and long-lasting sickle from TATA Agrico

Sl. No.	Item	Particulars
1	Name of the Farmer	Machha Ramesh
2	Village	Porumalla
3	Mandal	Medipalli
4	District	Jagtial
5	Crop	Mango ( 2 Acres ), Paddy ( 0.5 Acres)
6	Area in Ha	2.5 Acres
7	Contact	8142091260
8	Problem	Usage of conventional sickles for harvesting and cutting of grass
9	Field effort	Tried for other type of sickles in local shops but did not get.
10	eFresh Intervention	eFresh brought TATA brand sickles and made available in Farmers Development Center to the farmers
11	Result	It is appreciated by the farmers that TATA sickle is very good; grip is strong, comfortable and convenient, with reasonable price. The sharp edges leading to faster cutting, taking less time to cut the grasses and foliage, Less weight compared to conventional models. Ergonomic design of the sickle is felt more comfortable during work and free from hand pains.
